

Authorization for Enhanced Locating Services

The below signed person (Requesting Party) authorizes Colorado Springs Utilities to conduct Enhanced Locating Services for job # _____. These services are being requested on behalf of _____ (Customer). It is estimated that _____ hours of overtime are required to complete the job at a rate of \$65 per hour per person with a minimum work order of \$100. The number of locators requested to complete this job is _____.

Customer and Requesting Party acknowledge that this is just an estimate and that services conducted may exceed the estimate. Customer and Requesting Party authorize Colorado Springs Utilities to continue the service until the job is completed.

This authorization is subject to the terms and conditions of the Agreement for Enhanced Locating Services, which Customer has executed. The Requesting Party is authorized by such agreement to request Enhanced Locating Services. If Customer has not executed such agreement, the Customer and the Requesting Party agree to be bound to the terms and conditions of the attached agreement for Enhanced Locating Services. Requesting Party represents that it has full authority to bind Customer to the terms and conditions of this authorization.
