

Program Rules

- Qualifying equipment must be new, WaterSense certified, Ultra-High Efficiency tank-type toilets with 0.8 gallons per flush (gpf), or Flushometer toilet combinations with 1.1 gpf or less.
- Flushometer valve/bowl combinations must be included on the MaP tested list located [here](#).
- Products that are used, rebuilt, rented, leased, exchanged, won as a prize, get one free offer, or purchased at auction or online auction are **not** eligible.
- Qualifying equipment must be purchased & installed between January 1st – December 31st of current calendar year.
- Rebate application must be **postmarked no later than January 31st** of the following year to qualify for a rebate.
- Old toilets cannot be reused or retained. Participants agree to recycle/destroy/disable their old toilets.
- Installation address must have Colorado Springs Utilities (Utilities) water service.
- Paid purchase receipts must clearly identify the approved equipment and include date of purchase, equipment purchase price, make/model, and quantity purchased. Rebate application(s) must be complete and include a copy of the paid invoice.
- Utilities is not responsible for lost, late, damaged, illegible, misdirected or postage-due applications.
- For all rebates, the purchase cost of the product is the only cost that is eligible for a rebate. Some of the costs that are not rebated include, but are not limited to, installation/labor and delivery.
- Rebates are issued as a **credit** to the Utilities service account, or as a check if requested, and take up to eight (8) weeks to process.
- Qualifying purchases do not guarantee approval of a rebate. Rebates are offered on a first come, first served basis and subject to availability of funds.
- This rebate is not retroactive.
- This rebate is for retrofit and new construction.
- Utilities reserves the right to verify compliance with these terms, including but not limited to a physical site review. If review deems qualifying equipment was not installed, Utilities reserves the right to remove the non-complying participant from the program and the amount rebated will be charged back to the utility account.
- Limit two hundred (200) total rebate units per water meter account per year. For projects that include more than 25 toilets, please contact us at 719-668-8281 to understand rebate options.
- All terms, conditions and rules of the program are subject to change.

Disclaimers

Utilities does not warrant the security of third-party email providers. Email may not be a secure means to send private information, and customers accept any security liabilities while information is in transit. Upon receipt, Utilities will secure all personal information in accordance with internal policies and applicable laws

WARRANTY DISCLAIMER: Utilities makes no representations or warranties about any make or model of equipment, including any warranties of merchantability, fitness for a purpose or water efficiency. This rebate program is subject to change and/or discontinuation without notice. Utilities reserves the right to inspect installation premises or request additional information/documentation prior to rebate payment. Utilities is not liable or responsible for any act or omission of any contractor whatsoever.

LIMITATION OF LIABILITY: In no event shall Utilities be liable to Rebate Participant or any third party for any special, incidental, indirect or consequential damages, including loss of profits, loss of use or cost of replacement equipment associated with replacement of equipment and management of resultant wastes. Nothing in the Rebate Program shall be interpreted to limit or prevent the protections afforded to Springs Utilities under the Colorado Governmental Immunity Act, C.R.S. § 24-10-101, et seq.

Colorado Public (Open) Records Act (CORA) - Utilities is an enterprise of the City of Colorado Springs, therefore, Utilities' records are public records open for inspection by any person at reasonable times, except as provided by the Colorado Public (Open) Records Act (CORA) or other laws. The CORA permits the denial of inspection of any records that contain personal and financial information of past or present users of public utilities.

Easy Steps to Receive a Rebate

1. Review program rules and requirements on this application.
