**WATER RATE SCHEDULES**

**LARGE NONSEASONAL SERVICE (WLNS)**

**AVAILABILITY**

Available by contract in Utilities’ exclusive water service territory for nonresidential customers with annual consumption (based upon the most recent 12-month period) of at least four million cubic feet and a maximum summer month (based upon the most recent period of May – October) cubic feet consumption of no greater than 1.3 times the monthly average use across the prior 12-month period. Qualifying water consumption must occur through meters located on contiguous service properties on a Customer campus setting. Customers may apply for service under this tariff upon meeting the eligibility requirements.

Service is offered for a 12-month contract period, with the initial contract period beginning on the service start date to December 31st. As long as the Customer continues to meet the eligibility requirements, the service contract shall be automatically renewed for an additional 12-month contract period each January 1<sup>st</sup> unless Customer provides advance written notice to Utilities not less than 30 days prior to the January 1<sup>st</sup> renewal date that the Customer elects not to renew for the upcoming service contract year. Customers will be evaluated periodically to ensure they continue to meet eligibility requirements. In the event that a Customer is no longer eligible, the contract for service shall not be renewed and shall automatically terminate at the end of the 12-month contract period on December 31<sup>st</sup>. Upon termination, Customer shall be required to move to the rate schedule to which they are eligible upon the end of the contract period.

**WATER RATE SCHEDULES**

**CONTRACT SERVICE – REGIONAL (WCR)**

**AVAILABILITY**

Available by contract outside the corporate limits of the City in areas where Utilities' water supply system is available for use to serve institutions, plants, organized water districts, municipal corporations, or other similar organizations and only with prior approval by the City Council. This rate is not available to a Customer receiving service under Utilities' Residential Service (WR) Outside City Limits or Nonresidential Service (WG, WM) Outside City Limits rate schedules.

**RATE OPTIONS**

Customers may request the following options for Utilities' evaluation:

A. Full Service

On-demand deliveries of Utilities' owned water to a single point of delivery with volumetric limitations as set forth in a regional service contract. Regional Customers will maintain ownership and control over their water supply infrastructure.

B. Convey, Treat, and Deliver

On-demand deliveries by Utilities of a Regional Customer's owned or otherwise controlled alternative source of water supply. The alternative source of water supply must be delivered into Utilities' water supply system and will be treated and delivered through Utilities' infrastructure to a single point of delivery with volumetric limitations as set forth in a regional service contract. Regional Customers maintain ownership and control over their water supply infrastructure.

C. Standby Service

Water deliveries from Utilities to a Regional Customer to help meet their water needs, on a temporary basis, when their normal operations are disrupted. Standby Service may not be used as a primary means of meeting the Regional Customer's water supply demand. Such service may be provided using Utilities' owned water or Regional Customer's owned or otherwise controlled alternative source of water supply. The water will be delivered to a single point of delivery with volumetric limitations as set forth in a regional service contract. Deliveries of water will be subject to the applicable Full Service or Convey, Treat, and Deliver Commodity Charge based on the source of the water supply as defined in Rate Options A. and B. above. Regional Customers maintain ownership and control over their water supply infrastructure.
