| Company: | Colorado Springs Utilities |
| Whom should I contact for more information? | https://www.csu.org/Pages/GreenPower.aspx Customer Service at 719-448-4800 |
| What is the contract length? | For participating Service Agreements under 15,000 kWh per month – Month to month For participating Service Agreements over 15,000 kWh per month – One year |
| How much will Green Power cost? | The Green Power Service rate is based on the actual weighted average cost of approved renewable energy sources plus the administrative cost associated with Green-e certification. |
| Will my rates change over time? | The Green Power Service rate will be adjusted when additional certified renewable energy sources are incorporated into Utilities' system. |
| What are the enrollment options? | Enrollment is based on a percentage of monthly usage. Residential customers may enroll in 10% increments from 30% to 100% Commercial customer may enroll in 10% increments from 10% to 100% |
| What other fees might I be charged? | Customers receiving service under this rate schedule will elect a percentage of their monthly energy to be subject to the Green Power Service Rate in lieu of the Electric Cost Adjustment. Applicable Access and Facilities, Demand, and Electric Capacity Charges apply. |
| How will I be billed? | The customer will be billed monthly on their standard bill. The portion of the kWh usage assigned to the Green Power program will be deducted from the standard Electric Cost Adjustment charge and will be charged at the current Green Power rate. |
| Can I cancel my participation? | Customers with fewer than 15,000 kWh enrolled may end participation at any time Customers with 15,000 kWh or more enrolled will be obligated for an initial period of one year. After the initial 12-month term the customer may cancel by providing 30 days' notice to Colorado Springs Utilities by calling the customer service line at 719-448-4800 |

If I want to terminate this agreement/
contract, what is the early termination fee?

No Fee
