

MEMORANDUM

TO: Clear Spring Ranch Coal Combustion Residuals Landfill Operating Record

From: Colorado Springs Utilities Environmental Services – Technical Services

Cc: Clear Spring Ranch Coal Combustion Residuals Landfill Internet Site

Date: January 31, 2018

Subject: Groundwater Assessment Monitoring Notification

As required by §257.94(e)(3), §257.105(h)(5) and §257.107(h)(4) of EPA's CCR Rule, Colorado Springs Utilities is placing this notification in the Clear Spring Ranch Coal Combustion Residuals Landfill Operating Record and on the Landfill's Internet Site that an assessment monitoring program has been established.
